Thank you for assisting us by completing the SUPRT-A and SUPRT-C data collection tools!

State Opioid Response (SOR) funds are being utilized to fund this person's SUD services. This funding is available to people with a history of using opioids and/or stimulants.

This coversheet will assist the Lancaster County Drug & Alcohol Commission (LCDAC) in tracking the use of SOR funding for treatment and Case Management. It is important to note that this person's Patient Identify Information (PII) will NOT be retained with the SUPRT-A and C data once LCDAC submits it to the Substance Abuse and Mental Health Services Administration (SAMHAS) via the PA-WITS data system.

Once a person obtains Medicaid or is discharged from inpatient treatment (whichever comes first), please complete a closeout SUPRT-A. **All that is needed for the closeout is the completion of section E of SUPRT-A.**

**OR** if the individual is receiving Case Management Services, complete a closeout SUPRT-A once they are discharged from Case Management Services.

**Do NOT enter the SUPRT tools in PA-WITS. LCDAC will enter them.**
